

Career Opportunity

Punjab Thermal Power (Pvt) Limited

Punjab Thermal Power (Pvt.) Ltd. ("PTPL") is a company owned by Government of Punjab, established to develop and operate a RLNG based 1263 MW Combined Cycle power plant at District Jhang which is under construction. The plant will produce cheap and reliable electricity and play a pivotal role in eliminating the crisis of energy shortage by maintaining high quality standards of constructions, technology and service delivery. We are seeking applications from highly qualified professionals for following positions who are willing to work diligently for the achievement of challenging targets. PTPL offers market-based highly competitive compensation package and attractive incentives on the basis of qualification, experience and skills. This is also an opportunity to become part of a leading initiative. The Place of posting will be either Head Office Lahore or Site Office at District Jhang. The requisite qualification and experience for the position is as under:

1) Manager ERP (01 position)

Qualification: 4 years Bachelor's Degree in Computer Sciences or CA/ACCA/ACMA or relevant Degree.

Experience: At least 04 years' experience of implementation and deployment of ERP (especially SAP / Oracle or Equivalent). An ideal candidate should be seasoned professional who is responsible for Implementation of ERP e.g. data standardization, legacy and data conversion, testing and training, ERP support application and Maintenance.
