

## CAREER OPPORTUNITY

### **PUNJAB THERMAL POWER (PVT) LIMITED**

Punjab Thermal Power (Pvt.) Ltd. ("PTPL") is a company owned by Government of Punjab, established to develop, and operate a RLNG based 1263 MW Combined Cycle power plant at District Jhang which is under construction. The plant will produce cheap and reliable electricity and play a pivotal role in eliminating the crisis of energy shortage by maintaining high quality standards of constructions, technology, and service delivery. We are seeking applications from highly qualified professionals for following position who are willing to work diligently for the achievement of challenging targets. PTPL offers market- based highly competitive compensation package and attractive incentives based on qualification, experience, and skills. This is also an opportunity to become part of a leading initiative. The Place of posting will be Site Office at District Jhang. The requisite qualification and experience for the position is as under:

Name of Post	Qualification	Experience
<b>General Manager Site / Operations (01 Position)</b>	Bachelor / Masters' Engineering Degree (16 Years Education) in Electrical, Mechanical, Electronics, Power, or other relevant disciplines of Engineering.	At least 10 years' experience of Power Sector (i.e., establishment or Operations of Power Plant). Prior experience of working in the similar role is preferable. Capability to manage, negotiate and coordinate with relevant National and International O&M Firms.
